ear Brenda,
Please take one final look, we won't be able to revise further except for typos and formatting. I have to get on the road to Appleton to see a client. Re formatting, I can't get page 1 to accept the text immediately; it skips automatically to page 2. Do you know how to fix this. Also, the Exhibit at the end should be numbered separately. Could you try to do both and then return. Andy and I and YOU:) would still like to file this today. I can efile it even if it's after the close of business. THANK YOU!
